1 A COMPLETE SOLUTION

The P3000T machine for nameplate and tag marking is delivered as a complete package. Due to its soundproof plate-holder and its patented magnetic clamping system, it is possible to mark all types of nameplates from 0.2"x0.4".

2 VERSATILITY

The P3000T machine is capable of marking all shapes of nameplates and tags (rectangular, round, square...), in metal or plastic. It also allows you to mark all types of parts (tools, mechanical parts, keys...etc.)

3 ONE MARKING TOOL

The P3000T program allows you to mark characters of variable heights (from 0.04" to 3.15") as well as logos with one marking tool. It also allows you to automatically mark dates, date codes, incrementing serial numbers, shift and batch codes.

4 CONSISTENCY AND QUALITY

The marking tool creates permanent markings which are both indelible and aesthetic. Due to its consistency and quality of mark, the marking does not damage the nameplates whatever their thickness (from 0.02").

5 AN EXCEPTIONAL PRICE

The P3000T machine is sold at an exceptional price and does not require any form of consumables. Moreover this robust and reliable machine is very easy to maintain.
